

Ralph Pritchard

I listened to Richard from his start on CKDS with much enjoyment.

I was singing with The Canadian Orpheus Male Choir and we were planning a trip to England to sing at the 1984, 1000 Voice Festival at the Royal Albert Hall in London. We needed a master of ceremonies and I put forward Richards name to the committee and Lyn Harry the Leader. Well we contacted Richard and he agreed. The trip was a great success and Richard was M C for many more concerts over the years.

Nice memories.
